COMPTROLLER'S OFFICE, BANGALORE.

MYSORE GOVERNMENT LOAN 1930.

No. 477, Loans, dated 13th November 1930.

To

All drawers of Salary and Establishment Bills and Treasury Officers of all Districts and Taluks.

Has the honor to invite reference to Circular No. 310—Sl., dated 11th August [redacted], prescribing the procedure to be followed in the case of recoveries on account of State Loan Advances and to state that deduction statements have in many cases not been received with the Establishment Bills cashed in September 1930.

Deduction Statements have also not been attached to Salary Bills of Officers according to instructions issued to all District Treasury Officers in this office letter No. 316-17—Loans dated 10th September 1930. Owing to this omission the recoveries cannot be posted in the respective loan ledgers without much correspondence. It is therefore requested that in future deduction statements may invariably be attached to salary and establishment bills in which deductions are made so as to avoid unnecessary correspondence and delay in the compilation of the advance accounts in this office.

Bills which do not accompany such statements should not be cashed at the treasuries.
